Subscription Advantage Pack for AutoCAD® 2010

The Subscription Advantage Pack for AutoCAD 2010 includes a new set of TimeSaver Tools to help you work faster. You can now more easily select and work with objects when editing drawings to help streamline project workflow. Several TimeSaver Tools were top Autodesk User Group International (AUGI®) wish-list requests that now deliver a core set of productivity tools.

FEATURES AND BENEFITS

New TimeSaver Tools features include:

- 1. Hide and Isolate Objects**—Turn objects on and off regardless of layer to save time in tracking objects across layers; quickly show or hide objects as needed.
- 2. Select Similar**—Select objects with similar properties, such as layer or linetype, or blocks and xrefs with the same names.
- 3. Create Selected**—Quickly create a new object for your drawing by matching the type and properties of another selected object.
- 4. Hatch to Back**—Streamline the process of working with hatches by easily selecting hatches and then sending them to the back of the drawing.
